

A photograph taken from inside a dark, hollowed-out wooden structure, looking out through a rectangular opening. The opening reveals a bright, sunny beach scene. In the foreground, a large, light-colored piece of driftwood lies horizontally across the middle of the frame. To the right, a large, weathered log is visible. The background shows a sandy beach, a calm body of water, and distant mountains under a clear blue sky. The text "Conversion Perspectives" is overlaid on the left side of the image in a large, bold, black font with a yellow outline.
